Landscaping/Aesthetics Process

*Different elements may be decided at different times based on a project timeline such as:

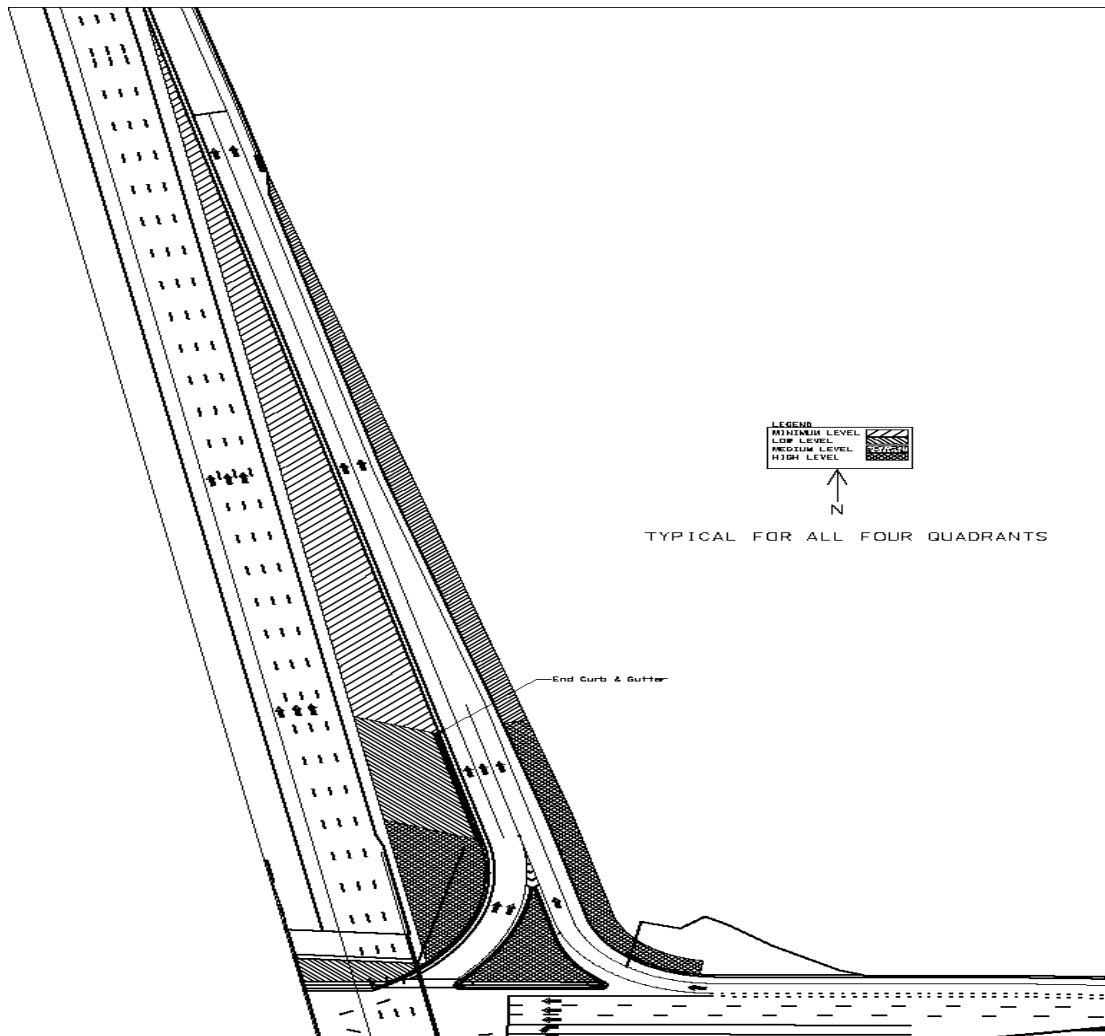

- Hardscape Textures and Colors
 - MSE Wall Panels
 - Noise Wall Panels
 - Bridge Aesthetics
- Landscaping

Landscaping Budget Elements

Percentages to be determined as concepts for Landscaping are determined

I-15 SPUI Landscaping Concepts

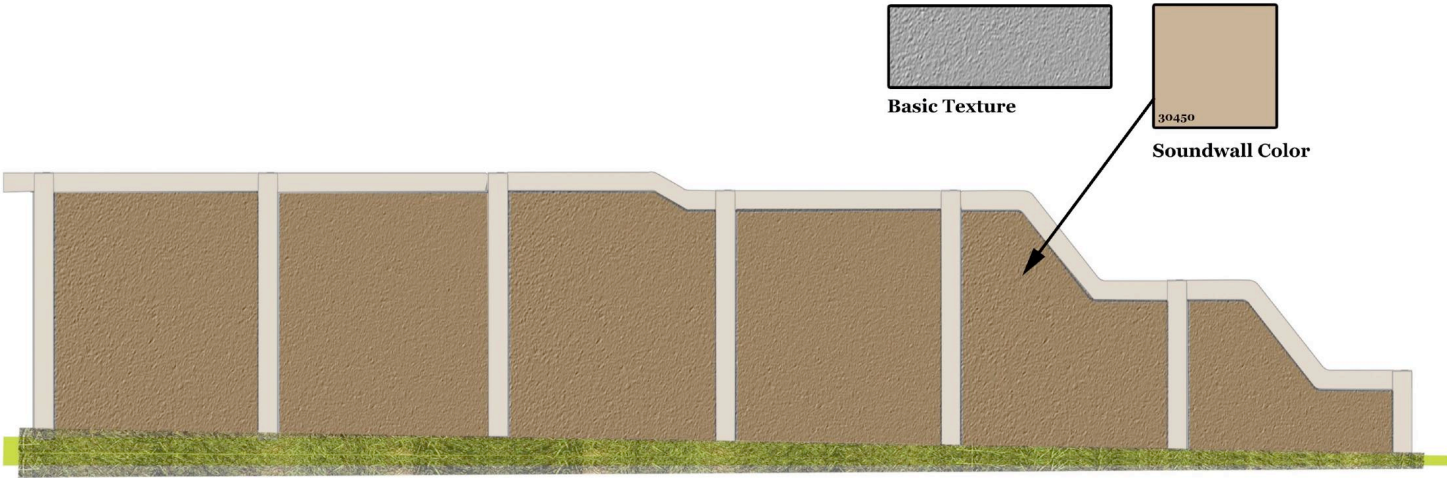

City Betterments

- South Jordan
- Draper
- Sandy

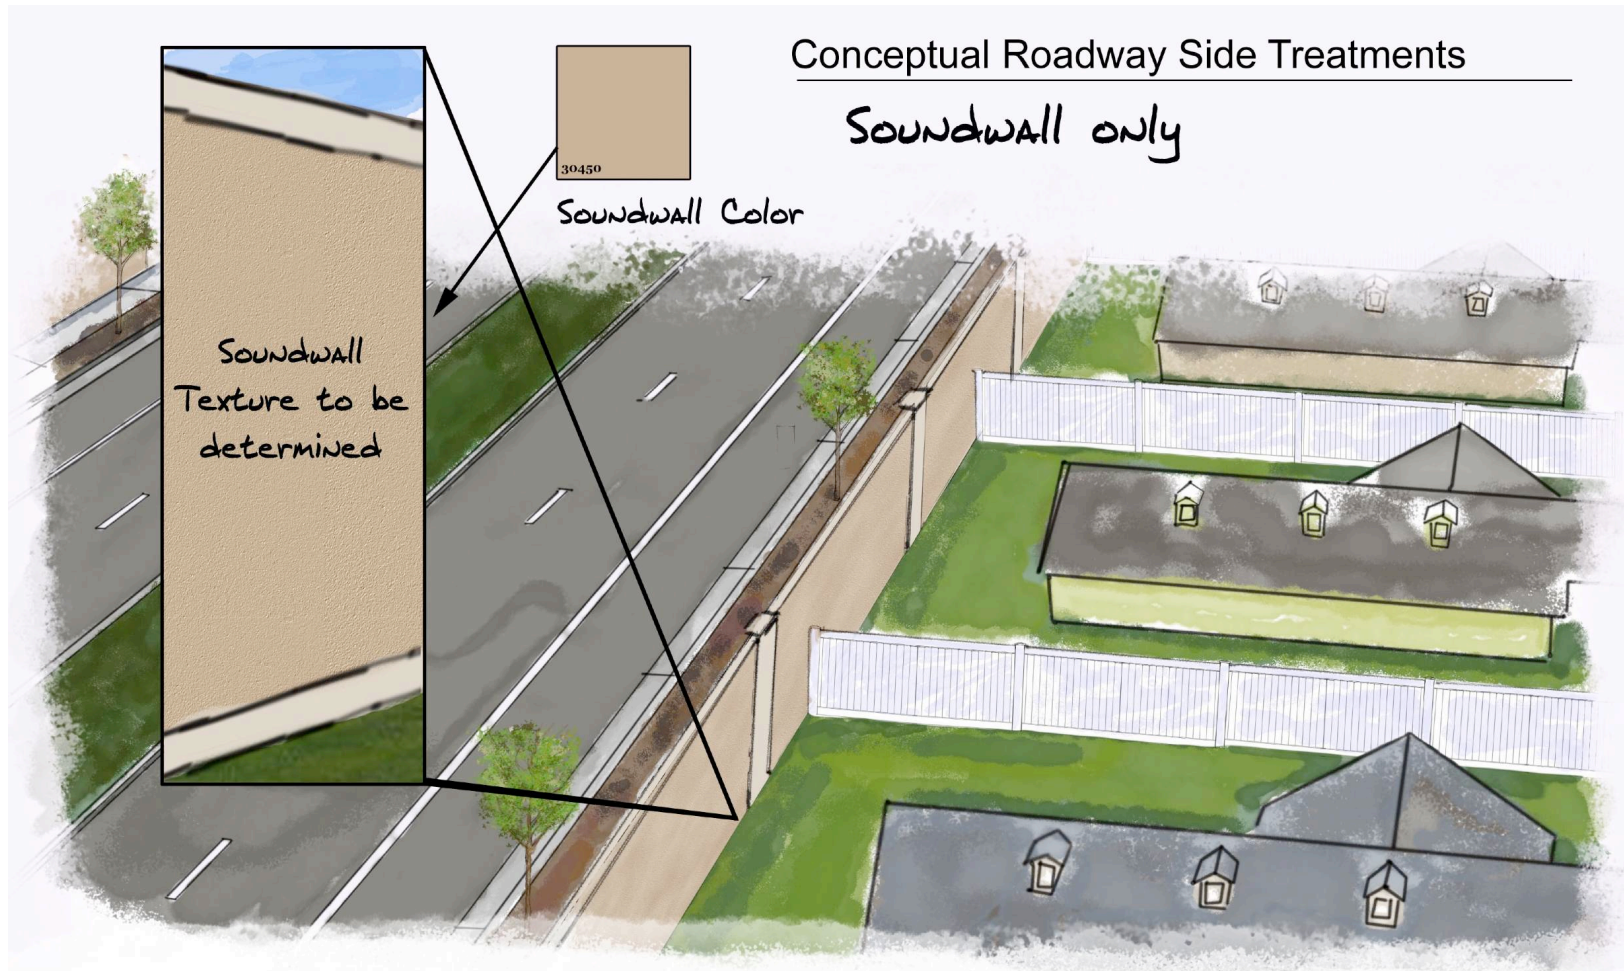

Soundwall A

Soundwall B

Soundwall Only

Note: Roadway Treatments will vary at different locations along the corridor. Rockery stones will be selected by their size requirements and not their color or texture.

Contact your right-of-way representative for specific details concerning fence replacement in your area.
